Carbide knives in one piece are only available in lengths up to 635 mm. Larger lengths will be supplied composed of two or more pieces. Knives with intermediate sizes will be charged at the next larger size. These knives are not available ex-stock. Prices and times of delivery for specially grinded carbide-knives for processing plastics on request.

Prices without engagement. Technical data subject to modifications. Delivery EXW Ottobeuren (INCOTERMS 2000) according to the attached General Conditions for the Supply of mechanical, electrical and associated electronic Products by the German Mechanical Engineering Industry ORGALIME S 2000 with Appendix.
